Leeds: special, different and unique.

Leeds is full of nuances and sediments that make it unrepeatable. Its bases reproduce a concrete surface, creating a timeless material but full of character. The unusual features of this surface make it perfect to combine with woods, marbles, stones and other cements.

Leeds: especial, diferente y única.

Leeds está llena de matices, de sedimentos que la hacen única e irrepitible. Sus bases reproducen una superficie de cemento, creando un superficie atemporal pero llena de personalidad y cuyas características hacen que combine perfectamente con maderas, mármoles, piedras y otros cements.
